HOW DO I GET THE PROCESS STARTED?

- ◆ Contact Kathy Wilgenbusch at The Quiltmaker's Shoppe (563-927-8017). She will assist you in selecting a design, colors, and size and provide you with the necessary paperwork and information. Payment is due at this time.
- ◆ Your design selection will be forwarded to our design engineer and construction committee. The design engineer will draw up your design in your specified colors. The Construction committee will also contact you regarding the building and location where you wish to have your barn quilt mounted.
- ◆ Kathy or the design engineer will share the final draft with you for your final approval.
- ◆ Construction will then begin in a timely manner. Construction/painting time frame is usually 3-4 weeks depending on the number of barn quilts that are requested at the time.
- ◆ If an individual wants to be involved in the painting process, we welcome their involvement.
- ◆ After your barn quilt is finished, the committee will arrange for the installation.

Are there any restrictions or guidelines for purchasing a Barn Quilt?
